

AW2014-15 hikaru noguchi men's & women's collection

Very special knitted accessories: Ties, Scarves, Shawls, Snoods, Hats and Gloves designed for comfort and beauty.

About the women's accessories collection.....

For 20 years, Hikaru has been creating beautifully crafted knitted accessories in England and Scotland, following in the footsteps of the great British woollen industry. Hikaru focuses on what is comfortable and beautiful in every stitch, structure and colour combination.

There is nothing nicer than our products to cosy up with on a cold winter's day.
